## Competencies Self-Assessment

For the following questions, please use the following 5-point scale to self-assess your competencies and experience, and provide details to support your rating.

*Please note: The desired competencies and attributes are what the Regulatory Committees should possess as a group. Do not be discouraged from applying just because you only have a couple of these competencies and attributes as they may be exactly what is being sought. Everyone will possess a small number of them and, in their own way, contribute to the collective body.*
